

# **Exhibit 6**

15:11:44 1 that would occur, would a brokerage commission  
15:11:48 2 be earned?

15:11:55 3 A. Yes.

15:11:55 4 Q. Okay. All right. And -- and that  
15:11:58 5 would be a percentage of the -- I guess the --  
15:12:01 6 the total transaction?

15:12:05 7 MS. KOCHER: Objection. Leading.

15:12:11 8 Q. BY MR. WOLF: I'll withdraw the  
15:12:12 9 question.

15:12:13 10 Okay. What was the commission?  
15:12:14 11 Can you describe what the commission was?

15:12:26 12 A. The commission was about one dollar  
15:12:28 13 for every barrel of oil.

15:12:30 14 Q. Okay. All right. So now I'm going  
15:12:33 15 to -- for how -- how long a period of time were  
15:12:37 16 you working with Mr. Teyf or were you assisting  
15:12:41 17 him as a broker in the sale and purchase of oil?

15:12:53 18 A. For about three years, since 1997 till  
15:12:56 19 2000.

15:12:57 20 Q. Okay. And during that period of time,  
15:12:58 21 how much money was earned by Mr. Teyf?

15:13:03 22 MS. KOCHER: Objection. Foundation.

15:13:24 23 THE WITNESS: Since -- since we worked  
15:13:25 24 together, I know how -- how much approximately  
15:13:29 25 he earned. He earned about \$9 million.

15:49:39 1 over, and the site was fully operational.  
15:49:43 2 So I was not interested in it so much anymore.  
15:49:46 3 And I decided to go on. I decided to go on,  
15:49:50 4 open another business. And I also decided  
15:49:53 5 to move to Moscow with my family.

15:49:54 6 Q. Okay. Okay. And during the period  
15:49:58 7 of time -- or these three years that you were  
15:50:02 8 the general director at Quantum, what was the  
15:50:07 9 revenue -- the total revenue of Quantum Oil  
15:50:11 10 in that period of time?

15:50:32 11 A. Over that period of time, when I  
15:50:34 12 was general director, about \$40 million was  
15:50:38 13 the revenue.

15:50:39 14 Q. Forty? Four, zero?

15:50:46 15 A. Yes. About 40 million.

15:50:49 16 Q. Okay.

15:50:51 17 A. That was the sum that was deposited  
15:50:53 18 to the account of the company.

15:50:55 19 Q. Okay. And -- and what volume of oil  
15:50:57 20 was developed and sold over that period of time,  
15:51:00 21 or produced, in metric tons?

15:51:12 22 A. Over 200,000 tons.

15:51:22 23 Q. Okay. And during that period of time  
15:51:24 24 that you were general director, what was the  
15:51:28 25 compensation that the ownership of the company

15:51:34 1 earned? Compensation and profits, of course.

15:52:01 2 Let me ask it a little simpler since  
15:52:03 3 there's some difficulty here.

15:52:05 4 How much -- how much did the owners  
15:52:06 5 make -- okay. How much money did the owners  
15:52:10 6 make -- okay? -- at the end of your three years  
15:52:12 7 of time at Quantum Oil?

15:52:22 8 MS. KOCHER: Objection. If he knows.

15:52:24 9 Q. BY MR. WOLF: By virtue of your position  
15:52:25 10 as general director, do you know that?

15:52:38 11 A. Yes. As a general director, I know  
15:52:39 12 that they made about \$24 million.

15:52:42 13 Q. Okay. Okay. And was that divided,  
15:52:45 14 to your knowledge as the general director, one  
15:52:50 15 third to Mr. Teyf and the other two thirds to  
15:52:54 16 the Quantum Petroleum ownership group?

15:53:08 17 A. Yes.

15:53:15 18 MR. WOLF: Okay. Barb, let's take  
15:53:16 19 a five-minute break -- we're going, you know,  
15:53:20 20 almost two hours at this point -- if we could.

15:53:23 21 MS. KOCHER: How much -- certainly.  
15:53:24 22 Do you have any idea how much longer you're  
15:53:28 23 going to be?

15:53:29 24 MR. WOLF: Maybe a half an hour,  
15:53:31 25 maybe less.
